MARCH 12, 1991 SYNOPSIS
ANNUAL TOWN MEETING - FITZWILLIAM, NH

ARTICLE 2. (By Ballot) Are you in favor of the adoption of Amendment No.1 as proposed by the Planning Board for the town zoning ordinance as follows: Creation of a FITZWILLIAM WETLANDS PROTECTION OVERLAY DISTRICT?

YES 216 NO 102

ARTICLE 3. (By Ballot) Are you in favor of the adoption of Amendment No.2 as proposed by the Planning Board for the town zoning ordinance as follows: Amend Note #3 of the Table of Standard Dimensional Regulations to make the Minimum Lot Area requirements consistent with the proposed Wetlands Ordinance?

YES 192 NO 123

The evening meeting opened at 7PM by Moderator William N. Prigge. The Girl Scouts presented the colors, followed by the salute to the Flag, and prayer by Rev. Lynda Tolton.

A motion was made and seconded to waive the reading of the entire warrant at this time, and to take up each article one at a time.

Mr. William Connelly made a motion that this meeting be adjourned no later than 11PM March 12, 1991. If there is unfinished business at that time the meeting stand adjourned until 7PM Tuesday, March 19, 1991. A poll of the house vote resulted in:

YES 51 NO 82

The motion did not carry.

MARCH 12, 1991 SYNOPSIS
ANNUAL TOWN MEETING - FITZWILLIAM, NH

ARTICLE 4. To hear and act upon the reports of agents, committees and officers heretofore chosen.

Selectman Parker moved the passage of the article and it was seconded. Some information was missing from the Town Report such as the table of contents, and the Fire Wards report that was received too late for the printer. He thanked the Girl Scouts for cleaning the upper hall before the town meeting. A thank you was given to Selectman Donald Crutchley for the years that he has served on the Board. A round of applause was given to him.

ARTICLE 5. It was voted to appoint a committee to have charge of the Memorial Day exercises.

ARTICLE 6. Voted to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 7. Voted to rescind all previous votes relative to compensation for the Town Clerk-Tax Collector, and authorize the Board of Selectmen to establish a salary and benefit package, such action to be retroactive to January 1, 1991.

ARTICLE 8. Voted to raise and appropriate the sum of $1,800.00 to support the operation of the Meadowood County Area Fire Department.

ARTICLE 9. Voted to raise and appropriate the sum of $1,768.00 for the support of Monadnock Family Services.

ARTICLE 10. Voted to raise and appropriate the sum of $20,000.00 for the re-surfacing of town roads.

MARCH 12, 1991 SYNOPSIS
ANNUAL TOWN MEETING - FITZWILLIAM, NH

ARTICLE 11. Voted to raise and appropriate the sum of $30,000.00 for repairs to the Howeville Road. Highway Agent, Edwin O. Mattson, Jr. reported that the repairs would cover 3/10th of a mile on Howeville Rd. Louise Bill questioned him about cutting trees in the summer of 1988 and part of 1989 on Dodge Hill. He stated that Public Service cut most of the trees not the town.

ARTICLE 12. Voted to raise and appropriate the sum of $20,000.00 for repairs to the Sandy Hollow Road. Highway Agent, Edwin O. Mattson, Jr. reported that 2/10th of a mile will be repaired. Trees will be cut and abuttors will be notified.

ARTICLE 13. Voted to raise and appropriate the sum of $10,000.00 to be added to funds already raised, to be used for the purchase and crushing of gravel, or purchase of gravel already crushed, for use by the Highway Department. Highway Agent, Edwin O. Mattson, Jr. reported that $8,000 can be used from the 1990 budget. He will buy gravel as it is needed.

ARTICLE 14. Voted to raise and appropriate the sum of $60,000.00 for remodeling the Village Fire Station. Fire Ward William Prigge spoke about the proposal and had a blue print of the plans for the building. A poll of the house vote resulted in the following:

YES 90 NO 49

ARTICLE 15. Voted to raise and appropriate the sum of $1,000.00 to be added to funds already raised, to be used for the purchase of protective gear and monitors for the Fire Department. A motion to amend the article to $2,000.00 was defeated.

MARCH 12, 1991 SYNOPSIS
ANNUAL TOWN MEETING - FITZWILLIAM, NH

ARTICLE 16. This article was not passed to re-surface and line the area under the Recreation Department Pole Barn for a sum of $2,250.00.

ARTICLE 17. Voted to raise and appropriate the sum of $4,000.00 for the purchase and installation of a heater in the recycling building.

ARTICLE 18. Voted to raise and appropriate the sum of $4,000.00 for the purchase of trailers to be used at the recycling center.

ARTICLE 19. Voted to raise and appropriate the sum of $8,000.00 to create a Capital Reserve Fund for the purchase of a vehicle for the Police Department.

ARTICLE 20. To hear the report of the Budget Committee. A total budget of $1,030,658.00 was passed.

ARTICLE 21. Voted to authorize the Board of Selectmen to arrange for the selective cutting and sale of timber from town owned property. Selectman Parker reported that the property to be cut is the Mabel Whitcomb land on Widow Gage Road that now belongs to the Town.

ARTICLE 22. Voted to establish the price of a 10' x 10' lot in Pine Grove Cemetery at $125.00 for residents and $350.00 for non-residents, and to require all purchasers to establish a trust fund in the amount of $200.00 at the time of purchase to cover the proper care of the lot, provided that an affirmative vote on this Article would supersede action taken on Article 20 at the Annual Meeting of the town of March 9, 1971 and any other vote of the town with respect to establishing prices for lots and trust funds at the Pine Grove Cemetery.

ARTICLE 23. Voted to authorize the Board of Selectmen to expend the balance of funds in the 225th Anniversary Account for the purpose of preserving historical town records in accordance with the report of the special committee appointed by vote of the 1988 Town Meeting on Article 38.

ARTICLE 24. Voted to authorize the Board of Selectmen to trade, sell, or otherwise dispose of any unusable vehicles or equipment of any of the departments of the Town.

ARTICLE 25. Voted to authorize the Board of Selectmen to convey any real estate acquired by the town by tax collector's deed or execution of a real estate tax lien by the Tax Collector, such conveyance to be made by public auction, or advertised sealed bids, in accordance with RSA 80:80.

ARTICLE 26. Voted to authorize the Board of Selectmen to accept on behalf of the town; gifts, legacies and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 27. Voted to authorize the Board of Selectmen to apply for, accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b.

ARTICLE 28. Voted to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat approved by the planning board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their agent.

Winston Wright, School Board Representative, asked to speak at this time. He said that volunteers were needed to serve on a committee for the elementary

school proposal. Those interested could see him after the meeting.

ARTICLE 29. Voted to authorize the Board of Selectmen to withdraw accumulated interest in the Sports Field Capital Reserve fund established by Article 17 of the Annual Meeting of the town in 1984 and to transfer said funds to the Charles Wallace Memorial Fund to be used for the Sports Field. This Article was passed as amended.

The meeting adjourned at 9 P.M.

All elected officers were sworn in as by law prescribed.

Respectfully submitted,

Jane R. Wright
Town Clerk

SELECTMEN'S REPORT 1991

The Board of Selectmen would like to extend its appreciation to all those who have given of their time and energy to serve on the various town committees and boards. We also wish to thank local organizations serving the citizens of our town. Your efforts continue to maintain and improve the quality of life in Fitzwilliam.

The Town ended 1991 in good financial condition, despite the economic climate. We have no long term debt, tax revenues came in very well, and Department Heads did an excellent job of holding down spending. In 1992, as in 1991, we expect to use $60,000 from our unencumbered fund balance to reduce property taxes.

New construction was at its lowest point in years. We issued 70 building permits: 4 new single family homes and one commercial building, the remainder being garages, barns, sheds, decks, additions and renovations.

The Village Fire Station has been rebuilt under the guidance of the Town Fire Wards, and was successfully completed within budget. Our congratulations to the Fire Wards for a job well done.

Several projects have been completed on town buildings. At the Public Safety building the kitchen and restrooms were painted, a raised bed with foundation planting was installed and the parking lot paved. The Town Hall has new carpeting in the hallway and one room. On the exterior, the electric and telephone wires have been removed from the building and placed underground.

During 1992 we need to replace the roof on the bell deck of the Town Hall steeple. This was not part of the roofing project done four years ago. We also plan to build a ramp on the rear of the building to provide access, as required by Federal law, to meet the needs of the handicapped without changing the appearance of the front of the Town Hall. A third project involves replacing the uneven stones in the front walkway.

SELECTMEN'S REPORT 1991

This year we have adopted a new chart of accounts as recommended by the State Department of Revenue Administration. The change will be most evident in the 1992 budget. The former Town Officers' Salary Account and Town Officers' Expense Accounts have been replaced with an Executive Account, Election Registration and Vital Statistics Account, and a Financial Administration Account. The other major change is charging health insurance, workers' compensation, unemployment compensation, retirement, FICA, etc to the individual departments. This will in fact provide a better picture as to what each department costs the town.

A second area of change affecting the budget is the definition of Capital Outlay. Capital items are defined as a physical public betterment or improvement involving a facility, a parcel of land, or a piece of major equipment with a value exceeding $10,000 and a life expectancy in excess of 5 years. Equipment and projects not meeting this standard are included in the various department operating budgets.

The Town's recycling program and Transfer Station continue to be successful and cost effective. We appreciate your cooperation in following the guidelines at our center; we all benefit by reduced disposal fees.

In 1991, we sent 300 tons to the landfill and recycled 200 tons of material, netting about $6,300 in revenue, and avoiding approximately $20,000 in tipping and hauling fees.

The Town applied for and received a 50% matching grant from the Office of State Planning, Governors Recycling Grant Program, to purchase two road worthy trailers. They will be used to store and haul paper products to market. This allows us to have a better product and a more efficient use of manpower. We also added a heating system and insulation to the Recycling Building. Our grant application for the heating system was not approved.

SELECTMEN'S REPORT 1991

We want to thank all of those who have volunteered on Saturdays to assist at the Recycling Center, with a special thanks to Dorthea Crowley for continuing to coordinate the volunteer schedule. Many thanks to; Laurie Pulis, Mary Lou Fuller, Len Hirschberger, Mike Terpstra, Frank Bequaert, Carey Bluhm, Jill Buckham, Dottie Crowley, Gerry Holcomb, Jim Kates, Gail Landy, Susan Link, Jim Parison, Jeanne Prevett, Rick and Lynn Rumba, Charles Holland, and Brian Gill.

We conclude by saying it has been a distinct privilege to serve the town of Fitzwilliam as your Selectmen. We look forward to continuing to work for you during 1992 and wish all of you the very best.

Respectfully submitted,

Susan S. Link, Chairman
Thomas F. Parker

Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have audited the financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1991, and have issued our report thereon dated January 21, 1992.

In planning and performing our audit of the financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1991, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

The management of the Town of Fitzwilliam, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of polices and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

Budget
Cash and investments
Revenue and receivables
Expenditures for goods and services
and accounts payable
Payroll and related liabilities

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all maters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

We also noted other matters involving the internal control structure and its operation that we have reported to the management of the Town of Fitzwilliam, New Hampshire in a separate letter.

This report is intended for the information of the Board of Selectmen. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

BUDGET COMMITTEE REPORT FOR 1991

This year the regional economy continued to be mired in economic malaise. Many families in Fitzwilliam found their disposable income inversely proportional to the financial demand of both municipalities and schools. This issue was clearly expressed by the public at the annual budget hearing.

Additionally, the Budget Committee has several concerns regarding matters beyond their control. These issues which could have further negative impact on our taxes and should be addressed;

1. County Government, is asking for a 16% increase over last years operating request. This will definitely increase our property tax.

2. The School Budget will cost the taxpayers of Fitzwilliam an additional 70 cents per $1,000 in real estate taxes. That would be an additional $70 on a house appraised at $100,000.

3. There will be an article at the annual school meeting to determine Fitzwilliam's tax obligation to the School District. If this article passes it would add an additional $2.20/$1,000 to our real estate tax.

Taking the above factors into consideration, the Budget Committee is recommending a budget that is $8,000 less than last year's budget approved at the annual Town Meeting.

BUDGET COMMITTEE REPORT FOR 1991

Below is a breakdown of your property tax rate as it applies to our obligations for Town, County and School.

	Town Tax	County Tax	School Tax	Tax Rate
1991 Assessment	$ 4.51	$ 1.52	$ 11.37	$ 17.40
% of Total	.26%	.09%	.65%	1.00%

The Budget Committee welcomes the input of our Fitzwilliam citizens regarding the needs of the town. We strongly urge your attendance at the budget hearing in addition to the Annual Town Meeting. As committee members, our goal is to establish a budget which will maintain the quality of life our local residence have come to expect while maintaining fiscal responsibility.

POLICE DEPARTMENT REPORT 1991

In 1991 the Fitzwilliam Police Department handled 922 calls for service and investigated 136 cases. Of these cases, 45 were felony cases, 55 were misdemeanors, and 30 were violations. This was an increase over last year.

There were 63 people taken into custody last year, 9 of them were felony arrests, 30 were misdemeanors arrests and there were 24 arrests for violations.

The police investigated 87 motor vehicle accidents, 13 involved personal injuries, 31 caused property damage, 43 were under $1000 and not reportable.

The Police Department stopped 459 motor vehicles in 1991, from these, 316 warnings were issued and 143 received summons for their violations. Out of the 459 motor vehicles stopped, 249 were stopped for speeding.

In the coming year, once again our goal is to maintain the level of quality service you have expected from your Police Department in the past.

Our sincere thanks to you for your continued cooperation throughout the year.

Respectfully submitted,

Scott M. Ellis
Chief of Police

ROAD AGENT'S REPORT 1991

Normal summer and winter maintenance and roadside mowing was done. Brush cutting, cleaning and flushing of culverts was also done.

The Howeville Road project, from the end of Laurel Lake to the Jones residence, was completed this year. The Sandy Hollow Road project, from Howeville Road to the Hanninen residence, was also completed. We removed rocks and cleaned the ditches, and some small tree removal was also required. A 1 1/2" shim coat of hot top, and a 3/8" stone seal applied were applied to both roads. Sandy Beach Road and Keene Avenue were both graded and gravel was applied where needed. Both roads received a double stone seal.

The Highway Department made minor road repairs to Royalston Road from Rt. 119 to Holman Road. Rocks were removed and ditches were cleared. The roadbeds by the Favreau and Hagstrom residences were dug and leveled out and culverts were replaced. The road was then shimmed and a 3/8" stone seal was applied. The bridge on #4 Road by Stone's Mill was replaced with a 24" culvert, Head walls and guard rails were also installed. Rockwood Pond and Columbia Road were graded and gravel applied where needed. Liquid calcium was then applied to the surface for better wear and dust control.

I have requested money in this year's budget to replace the loader, and to do four road projects: repair the Angier Road from Rt. 119 to Richmond Road, repair part of Richmond Road to the Rhododendron Road, and repair bridges on Royalston and #4 Roads.

I would like to thank all Department Heads, Selectpersons, and Townspeople for their assistance and support throughout the year.

Respectfully submitted,

Edwin O. Mattson, Road Agent

FIRE WARD'S REPORT 1991

1991 CALLS

The Fitzwilliam Fire Department responded to a record 192 calls in the period from December 1, 1990 through November 30, 1991, a 7% increase. This is less than the jump of 13.2% from 1989 to 1990, however, it still represents a general long-term trend of increasing demand on the fire and rescue service. There were related incidents including 5 structure fires, 6 electrical related fires, 9 car fires, 3 brush fires, and 5 chimney/partition fires. There were also several calls for automatic fire alarms, smoke investigations, gas leaks, and searches. The Department responded to 15 Mutual Aid calls, 10 for working fires, 2 for cover and 3 for rescue. There were also 13 motor vehicle accidents and 125 medical emergency calls unrelated to motor vehicle accidents.

VEHICLES

Our 1978 Ford Pumper and 1978 Mack Tanker continue to be in excellent condition. However, both need immediate body work to keep present minor problems from becoming major problems in the near future.

As we have noted in the recent past, our 1965 International Front-line Pumper has been encountering more problems. In the reports for the past few years we have indicated the need to purchase a new truck in 1992. During 1991 several major problems occurred with the International. At the same time, a vehicle became available through the Rockville, Maryland Fire Department. Although the Fire Wards had no ability to purchase a vehicle in mid-year on behalf of the town, it was decided that this vehicle was too good a deal to pass up, and a commitment was made, and backed by the membership to acquire this vehicle and lease it to the Town until the 1992 annual meeting. We will ask that this truck be purchased by the town. The 1965 International is now out of service.

The rescue truck, hose-reel truck and small forestry truck, as well as the forestry tanker continue to be in reasonable condition, however, the rescue truck, having seen heavy service for 15 years will need replacing soon. Almost without exception, this vehicle rolls to every call the Department has.

VILLAGE FIRE STATION

In 1991 an Article was presented for the renovation and modernization of the Village Fire Station. After years of searching for a satisfactory solution to a Policy Station/Village Fire Station, the town acted in 1990 to establish the Police Department in a portion of the Depot Fire Station. This left the Village Fire Station open again for use solely as a Fire Station.

In the fall of 1990 former Chief David Raitto worked with representatives of the MacMillin Company to develop plans for the renovation of the Village Station to accommodate at least one Class A front-line pumper for a total price of $60,000.00. MacMillin agreed to work with us on the bidding process, and an agreement was entered to complete the entire project for $60,000.00 (the amount of the appropriation) or less, with any savings being divided equally between the town and MacMillin. The Fire Wards feel that representative of the MacMillin Company, working with various contractors, did an outstanding job for the Town, notwithstanding many problems that were encountered in trying to upgrade this old building. The entire project was completed with entirely new equipment, as well as a new roof, a new base radio station, and the Town still received $2,000.00 back. The Fire Wards extend their thanks to Peter Marrotte and his crew from MacMillin, and to Jack Little, the company's Vice President, for their cooperation and professionalism in doing such a fine job for the Town.

GEAR AND FITTINGS

Last year along with the Village Fire Station, we made recommendations for the purchase of new gear and some additional small hose and fittings. The latter project was completed with the acquisition of some additional small and large diameter fitting for the various trucks.

On the gear account, we were able to completely outfit six members with new OSHA and NFPA approved gear, however, a substantial amount of money will be needed to complete this project. In this connection, we are recommending an appropriation to allow us to purchase 20 sets of full turn out gear including helmets, Nomex hoods, bunker coats, bunker pants and boots. With this appropriation, all fire fighters except for senior officers will be fully outfitted with gear that meets current technical standards. With ever stricter safety standards, the Fire Wards feel that this essential project must be completed as soon as possible.

MONITORS

Many years ago, the monitors currently used by the Department to page its members in the event of an emergency call were purchased by the Association itself. These units receive heavy wear and are subject to increasing repair bills. In some instances, the units have not been repairable. We are recommending an appropriation of $3,800.00 to start a replacement program of 10 Minitors a year. The new units would have two frequency capability, which would allow us to have the rescue members toned separately when all Department members are not needed for a call.

1992 TRUCK REPAIRS

We are also suggesting an appropriation of $5,200.00 for body work on the 1978 Ford Pumper and the 1978 Mack Tanker. The Ford has been the primary front-line attack truck for the town for 11 years, and is in need of body work and repainting. This relatively modest expenditure will extend the life of the vehicle for several more years. The 1978 Mack Tanker has areas of body rust in the cab, doors and tank which need to be attended to promptly. If this appropriation passes, we intend to get the repair work done on both trucks as soon as possible after Town Meeting.

PERSONNEL

In preparing these reports, we very often concentrate too much on the number of calls and status of equipment without mentioning the accomplishments of the members. Although New Hampshire presently does not have requirements for volunteer firefighters, 16 Fitzwilliam firefighters have completed the State's certified firefighter course. In addition, 7 more are enrolled in a class which is currently in session.

Seven of our members are Emergency Medical Technicians, which requires them to pass a 140 hour class and a 35 hour refresher with an additional 45 hours of continuing education, every two years. Five of these members are certified to operate the automatic defibrillator which requires them to pass a 16 hour class and be re-certified every 6 months. An additional 9 members are certified in advanced first aid, which requires them to pass a 60 hour class. Also, 16 of our members have completed various courses in hazardous materials response training.

During 1991, in addition to the Emergency Medical Service and Fire Training and Re-training, 14 members attended the Meadowood Fall Fire School.

All of this training is in addition to the monthly drills conducted by the Department which can range from structural fire fighting to brush fire suppression to simulated automobile accidents. During 1991, aside from having one house burning drill, we also had a mass casualty drill involving a simulated school bus accident.

We cite these statistics about training and preparation to point out that the people who use the equipment and on whose behalf we are asking for new and updated equipment, are doing more than their part to justify your confidence in them as professionals in the fire and emergency medical services, and to assure you that your tax dollars are effectively used.

REPORT OF THE MONADNOCK AVDISORY COMMISSION
JAFFREY, DUBLIN, MARLBOROUGH, TROY, FITZWILLIAM

The Monadnock Advisory Commission is charged by the State Legislature with advising the State of New Hampshire on management policies for lands owned and leased by the State on Mount Monadnock and its associated highlands. The Monadnock highlands include Gap Mountain and Little Monadnock Mountain, and a good deal of the land managed by the State is leased from the Society for the Protection of New Hampshire Forests. The Commission includes two members from each of the five towns and is required to report annually to the towns on its activities and concerns.

In addition to regularly advising the New Hampshire Division of Parks and Recreation on Monadnock policy, the Commission has been active this year in assisting in the preparation of a long-term management plan for Mount Monadnock. The Commission hopes to have a draft plan for review in the first part of 1992.

The commission would welcome your thoughts about the preservation of these unique highlands.

Members of the Commission are:

Jaffrey:	H.C. Royce, Peter Davis
Dublin:	Betsey Harris, Bruce McClellan
Marlborough:	Ernie Linders, James Everard
Troy:	Dave Adams, Ira Gavrin
Fitzwilliam:	Donald Crutchley, Thomas Parker

ANNUAL REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission is fortunate to have a group of committed members with an interesting diversification of expertise. Rosalind and Fred Slavik have a long history of interest and activity in the environment. Rosalind uses her career as an author to write an article for the Fitzwilliam Newsletter every month. Jeff Porter is a graduate student in resource management at Antioch College and works part-time at Southwest Regional Planning Commission. Russ Goodwin and Bruce McLaughlin are long time residents of Fitzwilliam with a vast knowledge of the topography, wildlife, water resources, etc. Russ also serves on the Planning Board. Paul Kotila, a professor at Franklin Pierce College, teaches biology and brings a wealth of information to the Commission. Steve Kurtz is a new alternate member of the commission and promises to be a valuable addition with his interest in environmental issues and his commitment to the village. Robin Haynes is the secretary to the Commission, and is a valuable presence at our meetings as well as carrying out all necessary secretarial duties.

The Commission's immediate task is to complete an inventory of natural resources in Fitzwilliam. We met with several long time residents of Fitzwilliam to help identify those resources. Jeff Porter is writing the water resources section of the inventory.

The Commission held a regional meeting with the Conservation Commissions from Troy, Rindge, and Richmond. We plan to hold these meetings several times a year. There is a meeting planned for February 16, 1992 which will focus on the proposed airport in Gardner/Winchendon. The Commission plans to work with the Planning Board to gather information and hold public meetings regarding the impact that an airport would have on the area.

ANNUAL REPORT OF THE CONSERVATION COMMISSION

Our meetings are held on the first and third Thursdays of the month at 7:30 p.m. and the public is encouraged to attend.

PLANNING BOARD

The active case load of the Planning Board in 1991 was very low, reflecting the current economic conditions. However, the Board used the extra time available to review regulations and ordinances and bring them into line with current needs. The Planning Board opened a dialogue with the different commissions involved with land use by bringing them together and reviewing their common concerns.

At Town Meeting in 1991 a Wetlands Ordinance prepared by the Planning Board and the Conservation Commission was approved. This regulates land use activities in wetlands areas and attempts to protect their resources.

During sessions with the Historic District Commission, the Planning Board reviewed the present Historic District and recommended for consideration at the Town Meeting in 1992 redefinition of the district.

In order to update the Master Plan the Planning Board arranged to have a Water Resource Management Plan written, the work for which will be done in 1992.

The Board thanks in particular its alternates who gave unselfishly of their time, energies and expertise during the year, not only attending Planning Board meetings but also outside meetings which benefited the whole Board.

Meetings of the Planning Board are held on the first Tuesday of each month at 7:00 p.m. in the Town Hall to consider applications. In addition, work sessions are held as needed. All meetings are open to the public and we encourage your attendance and participation.

Respectfully submitted,

Thomas McCulla, Chairman

HISTORIC DISTRICT COMMISSION

The Historic District Commission reviews applications for Building Permits within the Historic District for their impact on the Historic District. The objectives are;

1. To preserve structures and places of historic and architectural value.

2. To preserve a district in the municipality which reflects elements of its cultural, social, economic, political and architectural history.

3. To conserve property values.

4. To foster civic beauty.

5. To maintain the existing architecture of the district.

In 1991 the Commission reviewed with the Planning Board the present Historic District. They recommended for consideration at the Town Meeting in 1992 a redefinition of the Historic District.

The Historic District Commission meets the first Monday of each month at 4:00 p.m. at the Town Hall whenever there are one or more completed applications to be considered. All meetings are open to the public and we encourage your attendance and participation.

Respectfully submitted,

Charles G. Massin, Chairman

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals and administers special provisions in the Town Ordinances dealing with Variances, Special Exceptions and Administrative Decisions in order to provide for the satisfactory resolution of many of these situations without burdening the courts.

In 1991 the Board heard seventeen cases, four more than in 1990. Fourteen were requests for Variances. Eleven Variances were approved - one with conditions, and one was as amended. One case which was resolved by the Selectmen was dismissed. The Board denied two applications in 1991. The applicant of one of these applied for a rehearing, which was denied.

The Board has again revised its application fee structure so that the applicant will cover more of the mailing costs for hearing a case than in the past.

The Board meets at the Town Hall on the third Monday of the month at 7:30 p.m. whenever there are one or more completed applications to be considered. Hearing notices must be posted in town and advertised in the newspaper. Individual notices are mailed to abutters. The meetings are open to the public and we encourage your participation.

CODE ENFORCEMENT OFFICER'S REPORT 1991

A total of 70 Building Permits were issued, including four permits for new homes and one for an addition to a commercial building. Six Occupancy Permits and fourteen Oil Burner permits were issued. Several wood stove and chimney inspections were done, and foster homes, schools, and Day Care Centers were also inspected.

If you need assistance with our permits or have questions regarding our rules and regulations, please contact the Land Use Office at the Town Hall.

TOWN HALL AGENT'S REPORT 1991

1991 began with the move of the Police Department to the newly renovated station in the Public Safety Building. An open house was held and the Chief and his Officers are now enjoying their new space. Chief Ellis may be requesting a stair climber exerciser to keep everyone in shape now they are on one floor though.

The Town Hall was almost nonstop activity with all the Town Committee meetings along with 35 building rentals. Some of them were one to three times a week for an eight week period. This year the carpet was replaced in the downstairs hallways. This required the opening (where did we put those combinations?) and removal (not in the cellar) of the two large safes in the rear hallway. Another historic occasion saw the last use of our old voting booths which were badly in need of replacement. The new booths meet the accessibility and population ratio requirements. The year ended with Emerson School's "standing room only" Christmas program. I wish you all a great 1992.

Respectfully submitted,

Nathaniel Haynes

RECREATION COMMISSION REPORT

Claire Drake Nature Trail

The restoration of the Claire Drake Nature Trail was completed this past year. The Trail, located near the Emerson School and the tennis courts had become overgrown and was barely visible. Mrs. Drake, a former Emerson School teacher, developed the trail approximately 15 years ago. Former Emerson students associate many fond memories with her outdoor classroom.

Use of the Trail is not limited to any one season. During non-snow times the trail is a great place to take a walk. With the anticipated structure change in our Cross-Country Ski Program, the revitalization of the Trail provides a less challenging trail with shelter close at hand for our younger skiers. The Summer Recreation Program is also able to use the Trail for nature activities. Teachers at Emerson, in the tradition of Mrs. Drake, have found the trail a valuable outdoor learning area for their classes. The Commission views the Trail as an asset to our Recreation Area.

Winter - Cross-Country Ski Program

Marginal snow conditions contributed to a marginal season. Some program days were cancelled and others were cut short. The first five program days were spent hiking the trails. On January 13 we had enough snow to run the Fitzwilliam Winter Games which included a biathlon, relays, games of tag, and an obstacle course. Marginal snow and ultra cold weather cut programs short for the rest of January. The first two scheduled days in February were canceled for lack of snow. February 10 we raced at Temple Mountain on man-made snow. On March 3, the Bill Koch League Championships were held at Vermont Academy in Saxton's River. Snow for the event was brought in by truck. The skiers raced on a thin ribbon of snow while the spectators enjoyed an early version of mud-season. Elizabeth Berard, Melissa Grab, Keith Jackson, Heidi Killory, Griff Thomas, and Louie Thomas were participants at the Championships.

RECREATION COMMISSION REPORT

In spite of poor conditions enthusiasm was high and we had good participation at the programs that were held.

At the end of the year picnic, held on a Saturday in April, we awarded the Sean Leary Award to Elizabeth Berard for her years of enthusiastic participation and sportsmanship.

We would like to express our thanks to our supporters who helped during the year. Our special thanks to Lou Thomas, our Director and his Assistants Bill Pine and Lola Grab.

Summer Recreation

We had a "great" fun-filled summer program this year with over 100 town children participating. Our thanks go to Director Alison Randall and her wonderful staff for making this the most successful year ever. Once again we are grateful to the Fitzwilliam Inn for donating the use of the swimming pool. The use of the pool allows us to continue offering the Red Cross Swimming Program to our children.

The highly organized program this year included activities of arts and crafts, swimming, field trips, and every game imaginable for outdoor play. The use of our new sportsfield this summer was a great plus. We offered some new opportunities this year by setting up a variety of sports clinics including golf, tennis, basketball and soccer. The program variety this year offered new experiences from tie-dying to nature activities. The program was a great success and appreciated by all.

Fall - Soccer Program

The Soccer Program had another excellent season despite having to limit the use of the sportsfield. The Saturday morning program continued to be popular, with 106 youngsters involved. The implementation of a Friday beginners' Kindergarten - First Grade program

proved a valuable asset with 18 children participating. The Travel Team had a mixed season, winning three games and losing five. Practices were held regularly on Sunday afternoons, and the team participated in two regional tournaments. The booster organization was again active, selling refreshments on Saturday mornings. The $310.00 raised will be used to buy materials for bleachers. The Commission wishes to thank Carolyn Edwards for again directing the program so capably, Camp Fleur-de-lis for allowing us to use their field for practices, and all the parents who coached, refereed, cheered and boosted!

Adult Programs

Contra dancing was reintroduced to Fitzwilliam by Carey and Dancy Bluhm in 1991. This monthly program will likely continue as a special series of dances in 1992.

Aerobic dancing was again conducted at our Town Hall. This program which is jointly sponsored by Cheshire County YMCA, will be relocated at the Troy Town Hall. The program will continue to be available to Fitzwilliam Town Residents.

The Second Annual Charlie Wallace Memorial Five-K race was held on June 21, 1991. Over $400.00 in prizes were awarded to the participants, thanks to the generous donations of our local businesses and merchants. Larry Sayers (15:32) and Carolyn Sprague (17:51) set new course records for men and women. Fitzwilliam residents Paul Dunton and Patricia Pine were the fastest of many town runners.

RECREATION COMMISSION REPORT

Baseball

The Commission continued to support the Troy-Fitzwilliam Youth Baseball Association. The children benefiting from this organization come from both Troy and Fitzwilliam. 106 of the total 169 participants were from Fitzwilliam. The program offers softball and baseball activities for ages 6 through 13 for both boys and girls

LIBRARIAN'S REPORT 1991

The Library had another record year with high usage of materials, facilities and staff. Circulation of materials was up 20 percent with a total figure of 15,678 items loaned. Library programs continued to be a priority with 72 programs offered and 1188 in attendance. Attendance at fall preschool story hour was up 60% over the previous year. In other words, library business is booming.

New additions in 1991 include an Apple 2c computer, printer and software for public use. These were made possible through many generous gifts made to the Library in memory of Francis Massin. A computer workcenter was added to the juvenile room to house the equipment. Also added to the collection were close to 500 books, 37 periodical subscriptions, 40 video cassettes and 13 computer software programs; all purchased from trust funds and gifts.

The Friends of the Library continued their strong work on behalf of library services. In 1991 their efforts contributed significantly to the renovation of the juvenile room with the financing of a carousel and paperbacks as well as a new table and chairs donated in memory of Lillian Dahl. A set of encyclopedias and some children's videos rounded out their purchases. In addition, the Friends' Board aided the Librarian with programs; particularly a highly successful Summer Reading Program which registered 95 children who read 871 books during the summer!

An ongoing concern remains maintenance of the historic building that houses the Library. At the end of 1991, the Trustees drew the balance of interest on the Marguerite Davis trust fund to underwrite such projects as sill work, roofing and wiring. In addition, the front room will need renovations to allow integration of the computer at the circulation desk. This concern is reflected in the increased budget request for maintenance.

LIBRARIAN'S REPORT 1991

The automation project continues at the Library. Book ordering, cataloging and billing were computerized in 1991. The final stage remains the automation of the circulation functions. However, before the records can be converted to machine readable data, the book collection must be completely cataloged. Unfortunately, the cataloging has been rather sketchy in the past and hundreds of books must be cataloged and inventoried. In 1992 I hope to make great strides toward this goal.

I would like to thank volunteers Olga Cuccinello, Lottie Guild, Judy Hancock, Harriet Underwood and Dotty Simmerman. In addition I would like to commend Louise Greene for her help with R.A.T.S., a reading club for grades 5 through 7, and Joan Knight and Dancy Bluhm for the generous donation of their time and storytelling talents. Library Assistants Debby Chipman and Olga Rankin continue to do a great job and I thank them as well.

Bill Connelly left the Library after many years of faithful service as building custodian and I want to thank him for his help over the years.

The Trustees, Paula Baldwin, Lucia Bequeart and Jim Crenshaw, and I thank the Selectmen and the community for their continued support of the Library.

Respectfully submitted,

Susan M. Massin

REPORT OF THE CEMETERY DEPARTMENT
1991

It was another busy year - the grass never stopped growing. We trimmed the brush around the cemetery walls. Some of the lots needed loam and seeding, and monuments and markers were also repaired.

The Village tool house was repaired and painted. We hope to repair the foundation of the tool house next year.

We would like to purchase two new mowers next year, and plan to continue to loam and seed the Pine Grove Cemetery. We would also like to lime and fertilize the grass. The older riding mower needs to be repaired, so we may use it at the Pine Grove Cemetery.

In the Village Cemetery there were:
4 burials and 3 cremations

In the Pine Grove Cemetery there were:
8 burials and 6 cremations

REPORT OF THE DEPOT PARK

The grass had a slow start this year. We hope to seed, fertilize and lime the lower part of the Park. We lost another tree in a storm.

Railroad ties were installed around the lower part of the Park. We would like to continue to install more railroad ties around the rest of the Park this year.

We would like to plant four trees this year to replace the ones which have been lost in past years.

A sign for the Public Safety Building was installed this year on the lower part of the park.

MEMORIAL DAY 1991

The 1991 Memorial Day Program began with a ceremony on the Town Hall steps on the traditional May 30th date. We were honored to have as our distinguished speaker Mrs. Catherine Favreau. Mrs. Favreau gave a moving account of her experiences as the mother of a son serving in the Persian Gulf Conflict. Also present were Mr. Alteri Farinoli and Mr. George Von Kopff who served in the First World War. Mr. Dwight Billings, another honored veteran, was unable to attend. We enjoyed the participation of the MRHS marching band, which accompanied Rev. Timothy Haynes for a moving rendition of "God Bless the USA". The Little Monadnock VFW, Girl Scouts, Brownie Girl Scouts and the Trinity Baptist Church AWANA Group all took part in the program with Selectman Tom Lacy serving as Master of Ceremonies. The parade made it's way to the Village Cemetery and then on to the Depot Park where Mr. Lacy conducted a brief ceremony before the group proceeded to Pine Grove Cemetery to complete the exercises.

The Memorial Day Committee is interested in receiving more input from the townspeople, specifically names of those who have served in the Armed Forces. We are particularly interested in forming a larger parade including Veterans. You may contact us through the Town Office. In order to adequately prepare for the 1992 program, preparations are beginning in January this year with the 1991 committee presiding. We encourage residents to become involved in this very important holiday, remembering our Veterans and those who gave their lives in service for our country.

We would like to extend our appreciation to all those who participated in the 1991 program. Special thanks to Mr. Alan Thompson who did the artwork for the program cover. Thanks also to Bob Dunton, Ed Matson, and Rev. Lloyd Kenyon.
